Classes taught: 32 classes of various grades on Digital Citizenship; 10 8th grade RICA classes for African American books; collaborated with Mrs. Hunt on a project on African American authors; made videos for web page on Biography Database and on creating citations

Special activities for the month:

- AMS Sweet 16 Tournament
- Blind Date with a Book
- Battle of the Books first match against Millington, which AMS won 56-29
- Display of Mrs. Mattix's STEM projects

STEM projects on display in the library. Students had to make a building with an escape route or room in it.

See page 2 for more pictures.

We celebrated Love Your Library month with Blind Date with a book. Books were wrapped up so that students had to check the book out with only a brief clue on the front.

March Madness started a little early at AMS. The bracket began with 16 books. Students voted in four rounds for their favorite. Winner will be announced on Dr. Seuss' birthday, March 2.

After weeks of practice, our Battle of the Books team faced Millington Middle. AMS won 56-29 and will go against Elmore Park in the next round. We want to thank Arlington Elementary for hosting us for this match.
